...as highlighted on www.oprah.com

DeSoto Caverns Family Fun Park, one of Alabama's best natural wonders, rests at the foothills of the Appalachian Mountains. Head underground into the "big cave" - more than 12 stories tall - to see a dazzling display of onyx stalagmite and stalactite formations.

The fun doesn't end there! More than 25 family attractions like Lost Trail Maze, Happy's Slip N' Slide and Wacky Water Golf surround the park. Young and old prospectors can also try panning
